1- Procedure for Priority Drivers re-entering on Days 2 and 3 under WRC Articles 45 & 46

On arrival at the Service Park cars will be taken to the 'Super Rally' Parc Ferme. From there a time card will be issued when the team requests to start to work on their car.

Alternatively, if it is not possible to drive the car, it may be taken direct to the team service area where the time allowance shall commence from the moment the car is unloaded.

As per WRC Article 46.1.1 after 3 hours, cars must check into the TC located at the Service Park exit. The crew or a team member must then drive the car directly to the overnight Parc Ferme under Parc Ferme conditions from where the car will start the next Day according to the published restart order.
